

BIBLIOGRAPHICAL RECORD.

Authors and societies are requested to forward their works to the editors as soon as published. The date of publication, given in brackets [], marks the time at which the work was received, unless an earlier date of publication is known to recorder or editor. Unless otherwise stated each record is made directly from the work that is noticed.

Corrections of errors and notices of omissions are solicited.

American aphides. (Nature, 24 April 1879, v. 19, p. 585, 6 cm.)

Brief rev. of C: V. Riley and Joseph Monell's "Notes on the aphididae of the U. S., . . ." (Bull. U. S. geol. and geog. surv. terr., 1879, v. 5, p. 1-32) [PSYCHE, Rec., no. 1785].
